I have now perused the Muzrai file No (not numbered) on the subject and thus come to know the circumstances under which the local authorities concerned have proposed to spend Rs. 150/- from Municipal and District Funds as an annual contribution to the Anna Chattram at Chickballapur.

2. I have seen this institution myself, and consider that that it is very useful and that its management is efficient. But a grant for feeding

from Local and Municipal Funds seems unauthorised by the statutes relating to those Funds.

3. A Student's Hostel at Chickballapur has been a crying want for a long time, and the absence of housing accommodation for students detracts from the prosperity of the School. If a Student's Home were constructed, I have no doubt that Chickballapur High School would be the largest and most popular High School in the State, excelling even the Tumkur High School in this respect. I would strongly urge the early construction of a Student's Home

4. At present a number of students are accommodated in rooms in the Chattrum in question, and some students I believe pay for their boarding

5. In consideration of the Chattram managers continuing this concession, it seems to me that a lumpsum grant of Rs 150/- per annum should be made from the State Educational Budget, year by year till the Students' Home is constructed

53 With deference to the views expressed it is respectfully submitted that no case seems to be made out for any grant from the Educational budget

54 The Chatram authorities want a grant-in-aid of 150 Rs because they feed certain poor students of the English school at Chickballapur & because they feed the Lower Secondary exam candidates who come up to Chickballapur from other centres. It is stated that several students of the English school are also provided with quarters in the Chat

On these grounds the Dy Commissr

that the Chatram serves the purposes of a Students' Home & deserves a grant-in-aid on that account.

55 It is submitted that one of the principles on which other Students Homes are financed by Govt is that Govt provides the building & the disciplinary supervision & that the boarders bear the cost of food &c. In that sense, the Govt is not required to provide a building in this case as the Chatram building is available. Even when Govt provides a building & pays the rent, even in the rent recovered from the boarders that supplements the other fees paid by the boarders. In the present case there is no reason why the Chatram authorities should not levy rent from the boarders & utilise the income for the purposes of the Chatram. Again in Students' homes, the boarders pay for all the food they consume & a similar arrangement may well be made in the Chatram. No Govt grant will be necessary for the feeding of the Students.

56 As regards the gratuitous feeding of poor Students, it is no doubt [illegible]

Sir,

In connection with the question of supplementing, from local funds, the funds of the Annachattram at Chikballapur standing before Govt., I am directed to bring to your notice that for want of a students' home in that town, a number of students are accommodated in rooms in the chattram, some poor students also being fed there daily, and that this concession is availed of very largely during the annual Lower Secondary and Matriculation Exams for which Chikballapur is a centre, when all the professional students attending the exams are supported

over.

SUBJECT

often been raised by the Headmaster of the High School and the people of Chikballapur with a view to make the position of the High School more secure by attracting pupils even from the neighbouring British taluks. A recommendation for a monthly grant-in-aid of Rs. 30 from the Educational Budget was made in 1907-08, but Government disallowed it. When it seems doubtful whether the Chikballapur High School should itself be maintained, it does not seem necessary to open a Students' home.

2. If the Committee of the Annadhanam takes it upon itself to feed the candidates for the Lower Secondary Examination who assemble at the time of the examination in Chikballapur, that can not be made a reason for a grant-in-aid from the State Fund Budget of the Educational Department. As far as I am aware in no other place are candidates for the Lower Secondary Examination fed in an annadhanam. Chikballapur is not a centre for the Matriculation Examination.

3. Under these circumstances I regret I am unable to recommend a grant-in-aid from the State Fund Educational budget to the Annadhanam at Chikballapur, nor are there funds in the current year's budget

from which Rs 150 can be shared. I may state that the whole cost of High School education is borne by the State Funds

Stating (with reasons) that Inspr General is unable to recommend a grant in aid from the State Funds to the Annadanam at Chikballapur & that it is not necessary to spend Students' Hom at Chikballapur

as also from funds collected from casual benefactors. The main items of annual expenditure are

(i)	Establishments -	Rs 80-11-2
(ii)	Feeding bona fide travellers.	205-7-10
(iii)	Feeding permanent boarders who are students of the local Schools —	147-0-0
(iv)	Feeding The Unofficial Candidates coming for the Mysore Lower Secondary Examinations —	161-2-9
	Rs -	594-5-9

2 Expenditure on items (i) and (ii) are legitimate charges on the funds of the Institution and is well within the amount of interest accruing on the permanent deposits at its credit. Items (iv) amounting to

Rs 308-2-9 annually, are, more or less, additional charges necessitated by local circumstances, and it is for the continuance these useful purposes of the Institution that a grant is asked for.

3. As regards item (iii), the registers show only the total number of Students fed daily, which as well as the period of duration vary from year to year, as the Manager assures that only a small minority of them belonged to the Sanskrit School, the rest being the Students of the High School and the Anglo-Vernacular School &c &c.

rendered to them is of the nature of Studentships and a Grant-in-aid towards the cost of such assistance is not quite foreign for the purpose of Educational grants.

4. As for the expenditure incurred for feeding the Candidates at the Lower Secondary Examinations congregated at this Centre, the pupils are from mofussil Schools and mostly of tender age, and it would be a risky to leave them to shift for themselves. Whatever may be the practice elsewhere, the question is mainly one of local

convenience. There are no
eating houses of any repute
at Chikballapur and if
such young children are
not to be lodged and fed
in the Chabram, they would
have to quarter themselves
upon the townspeople and
in a large number of cases
put to straightened circum-
-stances and much inconveni
in the absence of friends
or acquaintances in the
Town. Even in such cases
healthy accommodation
and timely meals are
not always ensured as
the examinees are not likely
to give a good account of
themselves, with all
troubles they h

rendered to them is of the nature of Studentship and a Grant-in-aid towards the cost of such assistance is not quite foreign for the purpose of Educational grants.

4 As for the expenditure incurred for feeding the Candidates at the Zone Secondary Examinations congregated at this Centre the pupils are from mofussil Schools and mostly of tender age, and it would be a pity to leave them to shift for themselves whatever may be the practice elsewhere, this is

5. Under such circumstances, the present practice might be allowed to continue, and a Grant-in-aid for the expen-
-diture for such a purpose would be practically expendi-
- ture in aid of the Institu-
-tions from which the pupils are drawn, who are usually poor and incapable of bearing the additional expenditure which will have to be incurred in case they have to make their own arrangements for boarding and lodging. Though the feeding in the Students' Home is done from fees and public subscriptions, yet the Students are accommodated in the rooms attached to

the Chairman, which also provides the kitchen and other accessories besides the services of the Chairman servants which are also made available for the Home. In these days when the subject of maintaining Students' Homes is so much to the front, the help sought for is after all only a Grant-in-aid, which is well within 50% of the actual total expenditure incurred on these items alone, excluding the cost of Establishment.

Government Pro. No. 1549 dated 21st. September 1907, regretting inability to sanction any State Grant for the Chickballapur Chattram which is doing good work and requesting the Deputy Commissioner to move the Municipal and District Fund Boards to make a grant thereto.

Letter No. 1672 dated 27th. February 1908, from the President of the District Board and Municipalities, Kolar District, soliciting Government sanction for a grant-in-aid of Rs. 100/- from District Funds and Rs. 50/- from the funds of the Chickballapur Municipality for this Chattram.

Note dated 8th. April 1908, of the Muzrai Superintendent and Under Secretary.

Order thereon. No. 33-6/Muz 3-7 332-08-4

ml 577-07

Dated, Bangalore, 7th July 1908 sl-6

The Muzrai Superintendent brings to notice that the Sri Rama Navaru Chattram at Nidle in the Manjarabad Taluk has an annual grant of Rs. 1044/- out of which only about Rs.200 or Rs. 250/- are now being spent every year for feeding pilgrim visiting Sriranganatha during the fairs. The Chattram is out of

worked on other days and the balance of the annual allotment is credited to the funds of the Institution. As the Chattram at Chickballapur is doing very good work, the Mysuru Superintendent recommends that a sum of Rs. 150/- out of the allotment for the Sri Ramadevaru Chattram at Nisle may be transferred to the Chattram at Chickballapur. The Mysuru Superintendent's proposal commends itself to Government and they are pleased to sanction the same with effect from 1st. July 1909.

2. The Comptroller to the Government of Mysore is requested to issue necessary instructions for the payment of Rs. ~~12-8-0~~ 12-8-0 per month at the Chickballapur Taluk Treasury on bills presented by the Manager of the Chattram and for adjusting the amount against the funds of the Sri Rama Devaru Chattram at Nisle.

are met from fees
Recovered from the boarders.
The boarders are required to pay
Rent for the Rooms occupied
by them. No proper reasons are given
by them. In the present case
there is therefore no necessity
why the Bhattacharya authorities
should not levy suitable fees
from the boarders for the rooms
Rent and feeding charges.
The feeding of Brahmin candidates
for the town Secondary Examination
is not also a proper charge
on Govt. For these reasons
we are unable to sanction any
Grant. Grant can be sanctioned
from the Govt Funds set
apart for education.
